

BARTLETT BULLETIN MAY 2021

Set High Goals... Attain New Heights

Dear Bartlett Bighorn Families,

We here in Bighorn Country hope everyone is safe and healthy!

We will continue to offer a full time distance education option to our families who feel more comfortable keeping their children distance learning the remainder of the school year.

Please be aware that the week of May 3rd through May 7th is designated Teacher Appreciation Week. We have a dedicated team of staff here in Bighorn Country and we are so grateful for everything they have done for our students during this unusual year!

The administration and staff appreciate your support as we work together to develop our student's minds and hearts. Have a wonderful summer vacation! Enjoy the time spent with your children and send them back to us in August well, happy, and ready to succeed.

We encourage you to work with your child/children over the summer with just the right mix of fun in the sun, family time, new experiences, and friends and studying to reinforce the skills learned this year – reading every day, writing, discussion and mental math and hands-on learning. You are your child's first teacher and they will always follow your lead – so we urge you to lead by example and set expectations and a partnership that will ensure growth.

Thank you!

Mr. Brodie Christian, Principal
Dr. Christine Clayman, Assistant Principal

As the school year at Bartlett ES comes to a close, we have begun preparation for the 2021-2022 school year. Much of the preparation includes: the creation of classes, placement of students, and registrations. To assist us in planning for the upcoming school year, please complete your online registration at campus.ccsd.net.
